

National Conference
on Huntington's Disease
Brisbane • 9-10 September 2010

ACCOMMODATION & TRANSPORT OPTIONS

Following are some accommodation suggestions with a range of star ratings and approximate prices. Please be aware that we are not able to make bookings on your behalf and the properties listed below are suggestions only, not recommendations. Please phone them or check out their websites for availability, prices, locations and proximity to bus stops as bus is the easiest public transport option to The University of Queensland. South Bank is a nice location and central to the city, buses, ferries and accessible via ferry to the Thursday night conference dinner at New Farm.

NAME	ADDRESS	PHONE	WEBSITE	RATING	APPROX \$s/NIGHT
St Lucia Gardens On UQ bus route	2 Gailey Road St Lucia	1800 637 662 07 3870 7644	www.stluciagardens.com.au	3*	From \$105

The Conference address is:

- Queensland Brain Institute (Building 79) Upland Road The University of Queensland St Lucia.

Driving to the conference is not recommended as parking is extremely limited at the UQ (The University of Queensland) and sometimes not available at all. There is a taxi and disability set down zone directly in front of the QBI (Queensland Brain Institute) building. Bus is a good option as there is a bus stop hub in Chancellor's Place around the corner from the QBI only a few minutes walk away. The South Bank Busway is at Tribune Street, corner of Colchester Street, near Grey Street.

Ferry is a nice way to travel, but only if you're able to walk 1-1.5kms across the UQ grounds.

For details of timetables for buses and ferries please use the TransLink journey planner online at www.translink.com.au/help_journeyplanner.php or phone 13 12 30. This service will advise you of costs, stops, route numbers and departure and arrival times. The bus arrival address is 'Chancellor's Place St Lucia' – you will need to change buses at UQ Lakes.

Our volunteers in pink t-shirts will be at strategic points near ferry and bus stops to guide you.
